

COUNTY MAYO
JOINT POLICING COMMITTEE (JPC)

Message from the Chairman

As Chairperson of the County Mayo Joint Policing Committee, I welcome the publication of the 2019 Annual report. The Report details the key actions of the Committee in delivering on the objectives of the Strategic Plan 2016-2021 and is an important means of communicating the role and work of the Committee.

The Joint Policing Committee aims to develop greater consultation and co-operation on policing and crime issues between the Gardaí, the local authority, community representatives and elected public representatives. During 2019, the JPC continued to take a strategic approach to its work while also addressing local issues.

Gerry Ginty, Cllr. Michael Holmes, Cllr. Blackie Gavin, Cllr Brendan Mulroy, Cllr. Patsy O'Brien, Cllr. Teresa Whelan, Mary G Duffy, David Tuomey and Adrienne Walker for all their contributions to the good work of this committee.

On behalf of the Committee I would like to thank Garda management and the garda team and also Mayo County Council's Chief Executive, officials and elected members for their valued contributions to the work of this Committee. I would also like to acknowledge the valuable collaboration with the Mayo Community Policing Section of An Garda Síochána in relation to the Community Engagement Policing Plan 2020.

Item 2: Please highlight three key achievements of the JPC during the year and give reasons why they are significant.

Achievement 1

Mayo County Council's Anti-Social Behaviour Strategy

At the February meeting of the JPC Committee the Draft Anti-Social Behaviour Strategy was circulated for consideration. Julie Ryan, Tenancy Sustainment Officer, Mayo County Council was present at the meeting to answer any questions.

Questions were raised in relation to income limits for admission to public housing and the basis of complaints the 'threat to life' being a very high bar to reach. All comments and observations were taken on board and the Strategy was adopted by the full Council on 13th May 2019.

Achievement 2

Community Engagement - Policing Plan 2020

Senior Gardai from around the county attended two meetings of the JPC in 2019 to consult with the members to formulate the Policing Plan 2020 for Community Engagement. As a result of this consultation process, this committee has fed into this plan and issues raised have been taken on board by the Community Policing Division of An Garda Síochána.

Achievement 3

Presentation by Garda Commissioner Drew Harris.

Garda Commissioner Drew Harris was invited to address the committee to explain the impact the new Garda Organisational changes would have on policing in County Mayo.

The Commissioner attended the JPC meeting on 8th November 2019 and outlined the new Divisional Policing Plan which has resulted in Mayo, Roscommon and Longford all being restructured into one new division.

Members raised a number of serious concerns regarding the potential impact of this new plan on the county. Issues raised were:-

- The implications of the inclusion of Mayo with Longford and Roscommon given the vast size and complex geography of the area.
- Assurances were sought that there wouldn't be a reduction in the number of Gardai in Mayo as a result of this new model.
- Assurances were sought in relation to the support from An Garda Síochána in the provision of community CCTV.
- Given that there has been no increase in the resources servicing the drugs unit in Co Mayo in the past 5 years, confirmation was sought that more resources will be allocated to address rising drug related crime?
- Members sought details of the review mechanism for the plan and if it can be changed if its is not working.
- Members sought details of how many new garda would be appointed to Mayo under the new garda recruitment programme.
- Clarification was sought in relation to the role of the traffic core.
- Information was sought on whether additional resources will be allocated to policing coercive control under the new domestic violence legislation.

As a result of this meeting Mayo JPC have written to the Commissioner for an update on these issues and are currently awaiting a response.
